-  Lionmight
-  Bards and Bows
-  I'm thrilled to share my latest album, Bards and Bows, just in time for Baldur's Gate 3's anniversary! As a fan of the game myself, I wanted to create something special that captures the spirit of adventure and epic storytelling we all love.

This album features seven tracks, including the powerful "Song of Balduran" and the atmospheric "Down by the River." I've blended metal and violin to bring a fresh, intense sound that's perfect for your journeys through Faerûn.

MiDGaR Ensemble

Build That Wall (from Bastion)

"Build That Wall" is the first single from the MiDGaR Ensemble's forthcoming EP. Compromising of Madison Drace on vocals and Gregg Rossetti on guitar, the MiDGaR Ensemble aims to create slightly unusual arrangements of video game songs. The arrangement of this debut single is fairly faithful to the original, but has some bossa nova flair.
