Radical Dreamers from Chrono Cross by 88bit

Please enjoy my piano arrangement of the beautiful "Radical Dreamers" from Chrono Cross, originally composed by Yasunori Mitsuda. This recording was made for a tribute album for the Chrono series titled, "Another World and Time - Piano Tribute to the Chrono Series." The album features 22 different pianists of which I'm honored to be a part.

VGMTOGETHER DIRECTORY

Upcoming vgmttogether initiative

VGM Artist Collaboration Directory!

Looking for someone to collaborate with? Sometimes it is hard to know who to contact, and how to contact them! vgmttogether will soon be inviting you, the VGM community, to share information about yourself—your interests, your specialties, and how other musicians can best contact you—so that we can make a VGM directory just for you!

Keep an eye on our social media for an upcoming link to our interest form if you would like to participate. We hope that you will find it to be a great way to connect with the community!

Submit your news to vgmt monthly!

vgmt monthly is a newsletter that offers a centralized place for the VGM community to make announcements! The newsletter will be posted each month on vgmttogether's social media and archived on our website. You're free to print or share the newsletter once it is released, but please do not alter it in any way.

If you have multiple announcements, please fill out the form once for each one. You can submit multiple announcements each month, and in as many months as you would like!

The deadline for the following month is the 21st of the current month. For example, an event submitted on Dec 18 will be part of the Jan newsletter while an event submitted on Dec 22 will be part of the Feb newsletter.
