Are you a video game music creator?

Add yourself to the vgmttogether collaboration directory!

The vgmttogether Directory is designed to be an easily-accessible tool to help you put together your next collaboration. This catalog gives you the chance to submit information about yourself and your musical interests to a centralized list of fellow artists who will be able to learn more about you while you learn about them!

Submit your news to vgmt monthly!

vgmt monthly is a newsletter that offers a centralized place for the VGM community to make announcements! The newsletter will be posted each month on vgmttogether's social media and archived on our website. You're free to print or share the newsletter once it is released, but please do not alter it in any way.

If you have multiple announcements, please fill out the form once for each one. You can submit multiple announcements each month, and in as many months as you would like!

The deadline for the following month is the 21st of the current month. For example, an event submitted on February 18 will be part of the March newsletter while an event submitted on February 22 will be part of the April newsletter. If you have any questions, reach out to Nujj on Discord (nujjj) or X (@kmelbone). [Submit your news here!](#)
