 Dr. B.A. Ferguson

 Water World (from Donkey Kong Country 3)

 Dr. B.A. Ferguson delivers a prog rock version of Water World from DKC3. Ferguson provides guitars, keyboards and bass instruments, while TJ Laws-Nicola lends their vocals and Andrew Gossett is our drummer. It is live on BandCamp, and its streaming release is on March 19th.

 Resident Evil 9 Requiem: Through the Darkness [DRUM COVER + Tab]

 Celebrating the release of Resident Evil 9, here we dive into a wonderful piece led by the amazing vocals of Colin Healy and Caroline Mauck

(<https://www.youtube.com/@ColinAndCaroline>). This track serves as the main theme for the base game, adding to the haunting, utterly terrifying aesthetic of the game. I noticed the track was missing drums so....I added mine!
