Washington Metropolitan Gamer Symphony Orchestra (WMGSO)

Voyageurs: First Contact (Original Soundtrack)

Ian Martyn

I had the incredible opportunity to join the EKG Productions team as the composer for the VRChat Space Jam entry, Voyageurs: First Contact. I'm honestly floored by the work that the rest of the team has done to bring this film together in such a short period of time.

Don't Think Twice (from Kingdom Hearts III)

Bucker Fuskyote

I'm super honored this year to have one of my videos play in the March Caprice Concert Soirée -Third Revival- as well as appearing on the album released by GameGrooves! I tried to take more of a downbeat approach to Don't Think Twice from Kingdom Hearts III in this arrangement, perhaps inspired by my own experience of buying a PlayStation 3 in anticipation of Kingdom Hearts III; ask me how that went sometime, haha.

Living in the Dark, Until Next Time (from "Deltarune: Chapter 2")
[All the Feels Version]

Bucker Fuskyote

I finally made a music video for a Deltarune Chapter 2 cover I released back in 2021. I decided to revisit the Fuality Somna lobby and fireworks world as well as two worlds that were inspired by Fuality Somna. It's often nice to reflect on the past, whether it's an event that happened almost a year ago, or a track you released almost five years ago.
