Battle Network

Lowlander

Get ready to jack in to Mega Man Battle Network! Revisit the world of the Net alongside Lan and MegaMan.EXE with this EP, which spans all six main themes from the Battle Network games. Brought to you by Battle Network megafan Lowlander, this EP takes you back to the heyday of the Blue Bomber on the Game Boy Advance through hard-hitting drums, powerful synths, and screaming guitar leads.

Submit your news to vgmt monthly!

vgmt monthly is a newsletter that offers a centralized place for the VGM community to make announcements! The newsletter will be posted each month on [vgmtogether's](https://vgmtogether.com) social media and archived on our website. You're free to print or share the newsletter once it is released, but please do not alter it in any way.

If you have multiple announcements, please fill out the form once for each one. You can submit multiple announcements each month, and in as many months as you would like!

The deadline for the following month is the 21st of the current month. For example, an event submitted on February 18 will be part of the March newsletter while an event submitted on February 22 will be part of the April newsletter. If you have any questions, reach out to Nujj on Discord ([nujj](https://discord.com/users/nujj)) or X ([@kmelbone](https://twitter.com/kmelbone)). [Submit your news here!](#)
